Mr. J.O. Brown,  
Department of Public Works,  
City.

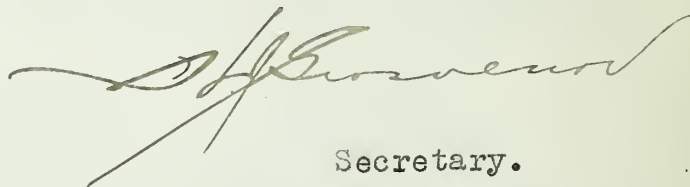

My Dear John:

I was successful in locating a record of the deeds that you and I were searching for a few days ago covering the transfer to the City of Fort Wayne of four feet South of re-located Hurd Street. I find that they have been properly recorded in the court house books and this gave me the information that I was after and I made no further search for the deeds.

I am enclosing herewith petition which I trust is self-explanatory, which was made out asking for the vacating of the North four feet of the re-located Hurd Street so as to correct your records to make them comply with the records in the engineer's office, which locates Hurd Street 94 feet South of the old street instead of 90 feet as per your original declaratory resolution.

Will you please see that this petition gets into the proper channels and have the clerk advise me as soon as the resolution is passed?

Yours very truly,

Secretary.

# PETITION

Fort Wayne, December 30, 1919.

TO THE BOARD OF PUBLIC WORKS OF THE CITY OF FORT WAYNE:

Gentlemen:

The undersigned, owners of real estate on Hurd Street, from Oliver Street to Bowser Avenue

respectfully petition for the passage of a resolution providing for the vacating of the North four feet of Hurd Street re-located as per declaratory resolution #363. The same being the North four feet of the South six feet of Lots No. 21 and 22, Eliza Hanna Sr.'s Sub.

This strip to be vacated in lieu of S.F. Bowser & Company, Inc. having deeded to the city of Fort Wayne the South four feet of the North 18 feet of Lot #24, Eliza Hanna, Sr.'s addition to the city of Fort Wayne as shown by Record No. 252, Page 488, under date of August 29, 1918 and the Menefee Foundry Company having deeded to the city of Fort Wayne the North four feet of the South 34 feet of Lot No. 23, Eliza Hanna, Sr.'s sub-Division as shown by Record No. 252, Page 487, August 29, 1918.

The property deeded in the above deeds is the four feet lying directly South of re-located Hurd Street and the reason for the above petition is to re-establish Hurd Street as 20 feet wide, 94 feet instead of 90 feet from the Hurd Street that was vacated by Declaratory Resolution No. 363.
